# FORUM FOR THE ARCTIC AND ANTARCTIC

## NOVEMBER 6–7 IN KIRUNA

Under the theme *Raising the Ambition of Swedish Polar Research*, The Forum for the Arctic and Antarctic aims to shape agendas for Arctic and Antarctic research through dialogue between academia and society.

## PROGRAM

### PRE-CONFERENCE TOURS

ABISKO SCIENTIFIC RESEARCH STATION & KIRUNA CITY AND MINE

### WEDNESDAY 6 NOVEMBER

- Launch of The Centre for the Arctic and Antarctic
  - a new platform for polar research and education in Sweden
- Current Research on Climate Change Impacts in Arctic Sweden
- News from the Swedish Platforms for Polar Science
- Funding Arctic and Antarctic Research - news from funding agencies
- Sweden in the Fifth International Polar Year 2032/2033 - visions and planning!

### THURSDAY 7 NOVEMBER

- Panels of actors from academia, authorities and Arctic communities in dialogue on challenges in the Arctic and how to tackle them. Two themes:
- *Green Transition in the Arctic - how can we cope with goal conflicts?*
  - *Security in the Arctic - challenges and capacity building*
